Mission Statement: Our mission is to provide all our children with high standards of teaching, learning and playing environments, so that each child can develop to his or her greatest potential and be prepared to move forward in study, work and play for their future success.

- Everyone is of equal value
- We do not tolerate actions which shows lack of respect for an individual
- Everyone has the right to learn in a co-operative atmosphere without fear of bullying
- Everyone must feel safe at school
- We will support victims of bullying
- We will help bullies to change
- All members of the school community should support our policy by reporting bullying – bullying is too important not to report
- Bullying will not be ignored
- Report all incidents – Don't stand back and let someone suffer – 'See Something, Say Something'.

Sometimes instances of a child being mean to another looks like bullying. We will confront these issues with the children to help them develop their social awareness.

As a school which values and promotes polite behaviour, we expect all members of the school community to conduct themselves appropriately towards each other. We do not tolerate any aggressive shouting, intimidation or arguing on school premises.
